WICKENBURG POLICE DEPARTMENT

ANNUAL REPORT

Town of Wickenburg

About Wickenburg, Arizona

Wickenburg lies in the foothills of the Bradshaw Mountains, along the banks of the Hassayampa River one hour from Downtown Phoenix.

Henry Wickenburg came to the area in search of gold. He was rewarded with the discovery of Vulture Mine (1863-1942), where over 340,000 ounces of gold and 260,000 ounces of silver were found. There are still relics around the area that stand as a tribute to these early adventurers, as well as a walking tour around Vulture City, which is adjacent to the present-day Vulture Mine.

Ranchers and farmers discovered the fertile flood plain of the Hassayampa River. The Hassayampa River Preserve lets you escape to a literal oasis with lush, streamside habitat that include many endangered birds and animals. Together, with Henry Wickenburg and the miners, they helped found the young community of Wickenburg in 1863. The Town of Wickenburg was incorporated in 1909.

Message from the Chief

As the Chief of Police, it is my pleasure to present the Wickenburg Police Department's 2022 Annual Report.

Throughout the past year, the members of the Wickenburg Police Department have worked tirelessly to identify and resolve the crime issues impacting our community, while adhering to our three principles of excellence: pride, valor, and service. I am extremely proud of the professionalism and dedication shown by the members of our department. They work, 24/7, risking their lives every day and night to serve and protect our community and visitors alike.

Over the past year, with generous support from the Town Council, the Wickenburg Police Department has been allocated 4 additional police officer positions, and funding used to complete the construction of a new communications center. The new center will include a state-of-the-art digital radio system that is on the Regional Wireless Cooperative, which partners with most valley law enforcement agencies. This system is expected to go live by June 2023.

Contained in this document are additional crime statistics, as well as accomplishments which are directly attributed to the hard work of our officers and their community policing efforts. In 2022, Wickenburg experienced a 33.3% reduction in violent crime, and a 11.6% reduction in traffic collisions while property crime increased by 16.6%. The Wickenburg Police Department continues to strive to exceed community expectations, and as a professional organization, we will continue to build upon these successes.

The Wickenburg Police Department pledges to remain steadfast in its efforts to address crime and the trepidation of crime to keep Wickenburg one of the safest communities in Arizona. On behalf of the men and women of the Wickenburg Police Department, we want to thank you for the wonderful support shown by the staff, citizens, and elected officials of our community.

Les Brown
Chief of Police

Our Commitment to the Community

Vision

The Wickenburg Police Department will be the model of an innovative, community-oriented police department, a recognized leader in law enforcement in the state of Arizona.

We are committed to professional excellence in the delivery of comprehensive law enforcement services. Our core responsibility is to prevent and reduce crime. All department members have an obligation, a duty, to pursue those who commit crimes.

We recognize the value of all our employees and partners, from professional staff and sworn members, to the many citizens who volunteer, assisting us in fulfilling our mission. We remain committed to the further enhancement of these partnerships. We will continually strive to develop the skills of our members and effectively and efficiently manage our resources to deliver the highest level of service to the public.

Mission

Is to partner with our community in order to enhance a peaceful and valued quality of life wherein the public feels safe and secure from crime, social disorder, and circumstances, which compromise their safety and well-being.

Values

We shall strive for a public perception that views police as trusted leaders in the community. Central to this mission are the values that guide our work. Our decisions will help us to contribute to the quality of life in the Town of Wickenburg. Our values and integrity, including but not limited to the list below, are qualities of worth and as such, they are nonnegotiable:

- **Pride** - Self-respect that contributes to departmental success.
- **Service** - Commitment to prompt, professional and courteous service, unbiased and effective in response to community concerns.
- **Valor** - Strength of mind or spirit that enables a person to encounter danger with firmness, courage in defense of a noble cause.

The Department's **CORE** Values

C – Contacts: Calls for service. This is the bread and butter of why we are here. Our public needs help, and we provide it. Also, with CONTACTS is focusing on traffic and drug issues, which are salient to us AND our community.

O – Observation: This is all of our proactive patrols. Proactive work leads to positive citizen contacts AND crime identification and prevention. Also, think of OBSERVATION as observing YOUR safety and those of our team, and our policies and procedures.

R – Rapport: This is our community engagement. The police are the people, and the people are the police. Only the police have been given the honor and responsibility to be chosen BY THE PEOPLE to devote their time and energy to protecting the community. We are the public, do not forget that. These are not my words, rather Sir Robert Peels (founder of modern LE), but they hold true today. We will be active in being professional at all times and build relationships with our citizens through quality service and community engagement opportunities (Coffee with a Cop, Explorers, Cops Who Care, etc.).

E – Excellence: We will strive for personal excellence in all we do: Our reputations, how we present ourselves (verbal and dress), our understanding of laws and policies, our reports, our proactivity. Remember our reputation is EVERYTHING. It is almost impossible to get it back once you have tarnished it with one serious event. Build a reputation as a “Go to” person for your profession, one that knows their craft and excels.

Community Engagement

Citizen's Patrol

The Wickenburg Citizen's Patrol is a volunteer branch of the Wickenburg Police Department consisting of 15 community members. In 2022, the Citizen's Patrol provided over 1925 volunteer hours. Members conduct vacation watch on homes, assist with traffic during high volume events, work on special projects, conduct fingerprinting, assist on patrol, and attend meetings and trainings. In addition, Citizen's Patrol members install and maintain the Medical Alert Program (MAP). The MAP allows people with medical problems to live alone with the benefit of a notification device that can contact the Wickenburg Police Dispatch if a medical necessity arises. The Citizen's Patrol is an invaluable asset to the Wickenburg Police Department and the community. If you are interested in becoming a Citizen's Patrol volunteer, please call 928-684-5411 or stop by the Wickenburg Police Department during normal business hours.

School Resource Officer (SRO)

The Wickenburg Police Department has been staffed with a full-time School Resource Officer (SRO) since August of 2017. The position is funded through a federal grant awarded to the Wickenburg Unified School District, which was awarded for an additional three years in 2020, with the focus being at the Wickenburg High School though the officer is designed support all three-district schools located within the Wickenburg community when needed. The current SRO is Officer Joe Lahey, a 16-year veteran of the department, and he spends his days ensuring campus safety, awareness classes and more. In 2021, Officer Lahey was awarded the Law Related Education Officer of the Year by the Arizona Bar Foundation.

Cops Who Care

In 1982, a collection was taken by local Wickenburg officers that allowed the purchase of Christmas presents for 250 needy children. Following this event, in 1983 a charity was formally founded as Cops Who Care (CWC), a non-profit organization that was comprised of local and surrounding law enforcement officers of multiple agencies. Though Cops Who Care is commonly identified by members of the community as a police department program, it is actually a non-profit organization managed through the volunteer work of Department personnel and community members.

In 2022, Cops Who Care received \$29,865.34 in donations. With those donations, in partnership with the Wickenburg Community Action Program, over 193 families were provided Christmas gifts and other supplies. In total, 557 children from Wickenburg & surrounding communities were given approximately 1114 gifts.

Other events held included the 40th Annual Car Show & Toy Drive and the annual Easter Egg Hunt held at Coffinger Park. Cops Who Care was also able to provide multiple sponsorships including:

- Wickenburg AYSO
- Wickenburg Little League
- Wickenburg Christian Academy Basketball
- WHS's Future Business Leaders of America's Santa Fest
- Camp Imagination

None of this would be possible without the generous support and donations of the community. Anybody who is interested in supporting or volunteering for Cops Who Care can reach them at copswhocare@gmail.com.

The Cops Who Care board and volunteers wishes to express their profound thank you to the Wickenburg Community and its supporters; "Without our donors and supporters, none of what we do could be possible and we would like to say "THANK YOU!" – Cops Who Care Board

The 2022 board (pictured below) was comprised of Lt. Kenny Lutkiewicz, President; Officer Kris Pedroza, Vice President; Lt. Aaron Hadley, Treasurer; and citizen member Jeana Johnson, Secretary.

Coffee with a Cop

Coffee with A Cop began in 2011, in Hawthorne, California as a way for local police officers to increase interactions with their citizens. Now, in 2022, Coffee with A Cop events are taking place in all 50 states in numerous cities all over the U.S. These events are great opportunities to speak with your local officers in a relaxed setting and ask them a variety of questions whether it is something as simple as what their job entails to concerns one may have within the community.

The Wickenburg Police Department first began holding these events on November 22, 2016 and continues today with an event being held approximately every quarter with the venue rotated through the variety of local businesses.

The main advertisement for this event is on the Wickenburg Police Department's Facebook page.

Explorers

Explorer Post #1863 of the Wickenburg Police Department was originally founded in 2016 as a way to engage young adults who have an interest in law enforcement whether curiosity or as a possible career. The program is designed to develop a young adult's interest in helping their community in a positive manner. Participants are taught different police tactics, practices, expectations and more while given opportunities to volunteer and engage within the community. Explorer Post #1863 is always looking for new volunteers and participants, and anybody interested can reach out to the program director by calling or visiting the Wickenburg Police Department.
