Application Process

This document describes the process for joining the Town of Wickenburg Adopt-a-Park program. It includes the information you need to know and the application form itself.

Purpose

The Town of Wickenburg Adopt-A-Park program is for town residents who are interested in preserving and maintaining our wonderful Park system. The program is authorized by the Town of Wickenburg and is implemented by the Town of Wickenburg Parks and Trails Advisory Committee in conjunction with relevant Town staff.

Who Can Adopt a Park?

To implement the Adopt-a-Park program, the Town works with Partner Organizations.

Partner Organizations could be:

- Neighborhood Associations
- Schools (or groups in a school)
- Senior Citizens
- Scouts
- Youth Groups
- Religious Groups
- Business Community Groups
- Non-Profit Organizations
- Local companies
- Individuals

This volunteer program provides opportunities for Partner Organization members to assist Park staff and help keep Parks safe, clean, and attractive. Under the supervision of the Adopt-a-Park Committee, Partner Organizations “adopt” a Park or section of a Park and agree to complete certain service projects for a year.

The Adopt-a-Park Committee is made up of two members of the Town of Wickenburg Parks and Trails Advisory Committee and one member from the Partner Organization.

Responsibilities

Adopt-a-Park Partner Organizations must commit to:

- Three day long or half-day long events per year, such as a clean-up day, maintenance day, or special project day
- One person to be on the Adopt-a-Park Committee as liaison to the Partner Organization

- Weekly or twice weekly walk the Park by a two- or three-person team, looking for any issues and/or picking up trash
- Reporting of hours worked

What is the Process for Adopting a Park?

1. The organization chooses a Park, or section of a Park, to adopt from the list of available Parks (see list below).
2. Read the rest of the Adopt-a-Park Application and Handbook to make sure you and your organization understand and can fulfill the required responsibilities.
3. Fill out the Town of Wickenburg Adopt-a-Park Application Form and submit it to the Town of Wickenburg Parks and Trails Advisory Committee.
4. Attend a Town of Wickenburg Adopt-a-Park Adopter Orientation meeting led by Town of Wickenburg Parks and Trails Advisory Committee members and select Town staff.
