# Town of Wickenburg

## About Wickenburg, Arizona

Wickenburg lies in the foothills of the Bradshaw Mountains, along the banks of the Hassayampa River one hour from Downtown Phoenix.

Henry Wickenburg came to the area in search of gold. He was rewarded with the discovery of Vulture Mine (1863-1942), where over 340,000 ounces of gold and 260,000 ounces of silver were found. There are still relics around the area that stand as a tribute to these early adventurers, as well as a walking tour around Vulture City, which is adjacent to the present-day Vulture Mine.

Ranchers and farmers discovered the fertile flood plain of the Hassayampa River. The Hassayampa River Preserve lets you escape to a literal oasis with lush, streamside habitat that include many endangered birds and animals. Together, with Henry Wickenburg and the miners, they helped found the young community of Wickenburg in 1863. The Town of Wickenburg was incorporated in 1909.

# Message from the Chief of Police

As the Chief of Police, it is my pleasure to present the Wickenburg Police Department's 2021 Annual Report.

Throughout the past year, the members of the Wickenburg Police Department have worked tirelessly to identify and resolve the crime issues impacting our community, while adhering to our three principles of excellence; pride, valor and service. I am extremely proud of the professionalism and dedication shown by the members of our department. They work, 24/7, risking their lives every day and night in order to serve and protect our community and visitors alike.

Over the past three years, the Department has taken on the task of becoming a state accredited agency through the Arizona Law Enforcement Accreditation Program. This accreditation benefits all Wickenburg citizens by improving service quality and transparency. In July 2021, the Wickenburg Police Department became one of only 20 Arizona law enforcement agencies to become accredited and receive this four-year award. This required the department staff to re-write and adopt over 150 policies, to ensure compliance with best procedures and practices required as an accredited Arizona law enforcement agency.

Within this document are a number of additional accomplishments which are directly attributed to our department's partnership with our community members and with support from the Mayor and Council. The Wickenburg Police Department continues to strive to exceed community expectations, and as a professional organization, we will continue to build upon these successes.

The Wickenburg Police Department pledges to remain steadfast in its efforts to address crime and the trepidation of crime to keep Wickenburg one of the safest communities in Arizona. On behalf of the men and women of the Wickenburg Police Department, we want to thank you for the wonderful support shown by the staff, citizens, and elected officials of our community.

**Les Brown**  
**Chief of Police**

# Our Commitment to the Community

## Vision

The Wickenburg Police Department will be the model of an innovative, community-oriented police department, a recognized leader in law enforcement in the state of Arizona.

We are committed to professional excellence in the delivery of comprehensive law enforcement services. Our core responsibility is to prevent and reduce crime. All department members have an obligation, a duty, to pursue those who commit crimes.

We recognize the value of all our employees and partners, from professional staff and sworn members, to the many citizens who volunteer, assisting us in fulfilling our mission. We remain committed to the further enhancement of these partnerships. We will continually strive to develop the skills of our members and effectively and efficiently manage our resources to deliver the highest level of service to the public.

## Mission

Is to partner with our community in order to enhance a peaceful and valued quality of life wherein the public feels safe and secure from crime, social disorder, and circumstances, which compromise their safety and well-being.

## Values

We shall strive for a public perception that views police as trusted leaders in the community. Central to this mission are the values that guide our work. Our decisions will help us to contribute to the quality of life in the Town of Wickenburg. Our values and integrity, including but not limited to the list below, are qualities of worth and as such, they are nonnegotiable:

- **Pride** - Self-respect that contributes to departmental success.
- **Service** - Commitment to prompt, professional and courteous service, unbiased and effective in response to community concerns.
- **Valor** - Strength of mind or spirit that enables a person to encounter danger with firmness, courage in defense of a noble cause.

# The Department's **CORE** Values

**C – Contacts:** Calls for service. This is the bread and butter of why we are here. Our public needs help, and we provide it. Also, with CONTACTS is focusing on traffic and drug issues, which are salient to us AND our community.

**O – Observation:** This is all of our proactive patrols. Proactive work leads to positive citizen contacts AND crime identification and prevention. Also, think of OBSERVATION as observing YOUR safety and those of our team, and our policies and procedures.

**R – Rapport:** This is our community engagement. The police are the people, and the people are the police. Only the police have been given the honor and responsibility to be chosen BY THE PEOPLE to devote their time and energy to protecting the community. We are the public, do not forget that. These are not my words, rather Sir Robert Peels (founder of modern LE), but they hold true today. We will be active in being professional at all times, and build relationships with our citizens through quality service and community engagement opportunities (Coffee with a Cop, Explorers, Cops Who Care, etc.).

**E – Excellence:** We will strive for personal excellence in all we do: Our reputations, how we present ourselves (verbal and dress), our understanding of laws and policies, our reports, our proactivity. Remember our reputation is EVERYTHING. It is almost impossible to get it back once you have tarnished it with one serious event. Build a reputation as a “Go to” person for your profession, one that know their craft and excels.

# Community Engagement

## Citizen's Patrol

The Wickenburg Citizen's Patrol is a volunteer branch of the Wickenburg Police Department consisting of 17 community members. In 2021, the Citizen's Patrol provided over 1414 volunteer hours. Members conduct vacation watch on homes, assist with traffic during high volume events, work on special projects, conduct fingerprinting, assist on patrol, and attend meetings and trainings. In addition, Citizen's Patrol members install and maintain the Medical Alert Program (MAP). The MAP allows people with medical problems to live alone with the benefit of a notification device that can contact the Wickenburg Police Dispatch if a medical necessity arises. The Citizen's Patrol is an invaluable asset to the Wickenburg Police Department and the community. If you are interested in becoming a Citizen's Patrol volunteer, please call 928-684-5411 or stop by the Wickenburg Police Department during normal business hours.

## Cops Who Care

Christmas Giveaway

Easter Egg Hunt

39<sup>th</sup> Annual Car Show & Toy Drive

In 1982, a collection was taken by local Wickenburg officers that allowed the purchase of Christmas presents for 250 needy children. Following this event, in 1983 a charity was formally founded as Cops Who Care (CWC), a non-profit organization that was comprised of local and surrounding law enforcement officers of multiple agencies. Though Cops Who Care is commonly identified by members of the community as a police department program, it is actually a non-profit organization managed through the volunteer work of Department personnel and community members.

The 2021 board was comprised of Lt. Kenny Lutkiewicz, President; Officer Kris Pedroza, Vice President; Lt. Aaron Hadley, Treasurer; and citizen member Steve Blodgett, Secretary.

In 2021, Cops Who Care received \$26,054.58 in donations. With those donations, in partnership with the Wickenburg Community Action Program, over 235 families were provided Christmas gifts and other supplies. In total, 567 children from Wickenburg & surrounding communities were given approximately 1200 gifts.

Other events held included the 39<sup>th</sup> Annual Car Show & Toy Drive and the annual Easter Egg Hunt held at Coffinger Park. Cops Who Care was also able to provide multiple sponsorships including:

- Wickenburg AYSO
- Wickenburg Little League
- Wickenburg Christian Academy Basketball
- WHS's Future Business Leaders of America's Santa Fest
- Camp Imagination

None of this would be possible without the generous support and donations of the community. Anybody who is interested in supporting or volunteering for Cops Who Care can reach them at [copswhocare@gmail.com](mailto:copswhocare@gmail.com).

The Cops Who Care board and volunteers wishes to express their profound thank you to the Wickenburg Community and its supporters; "Without our donors and supporters, none of what we do could be possible and we would like to say THANK YOU!" – Cops Who Care Board

## School Resource Officer (SRO)

The Wickenburg Police Department has been staffed with a full-time School Resource Officer (SRO) since August of 2017. The position is funded through a federal grant awarded to the Wickenburg Unified School District, which was awarded for an additional three years in 2020, with the focus being at the Wickenburg High School though the officer is designed support all three-district schools located within the Wickenburg community when needed. The current SRO is Officer Joe Lahey, a 16-year veteran of the department, and he spends his days ensuring campus safety, awareness classes and more. In 2021, Officer Lahey was awarded the Law Related Education Officer of the Year by the Arizona Bar Foundation. Congratulations Officer Lahey, it is well deserved!

## 2021 LAW-RELATED EDUCATION OFFICER OF THE YEAR

# Community Engagement (Continued)

## Explorers

Explorer Post #1863 of the Wickenburg Police Department was originally founded in 2016 as a way to engage young adults who have an interest in law enforcement whether curiosity or as a possible career. The program is designed to develop a young adult's interest in helping their community in a positive manner. Participants are taught different police tactics, practices, expectations and more while given opportunities to volunteer and engage within the community. Explorer Post #1863 is always looking for new volunteers and participants, and anybody interested can reach out to the program director by calling or visiting the Wickenburg Police Department.

## Coffee with a Cop

Coffee with A Cop began in 2011, in Hawthorne, California as a way for local police officers to increase interactions with their citizens. Now, in 2021, Coffee with A Cop events are taking place in all 50 states in numerous cities all over the U.S. These events are great opportunities to speak with your local officers in a relaxed setting and ask them a variety of questions whether it is something as simple as what their job entails to concerns one may have within the community.

The Wickenburg Police Department first began holding these events on November 22, 2016 and continues today with an event being held approximately every quarter with the venue rotated through the variety of local businesses.

The main advertisement for this event is on the Wickenburg Police Department's Facebook page.

# New Police Headquarters

The Wickenburg Police Department is proud to present their new station and headquarters located at 1980 W. Wickenburg Way. The facility, originally housing a bank, was purchased in October of 2019 for \$1 million, which included the structure and three adjoining acres. With remodel beginning in the summer/fall of 2020, the remodel of the facility was completed in early 2021 with the Department moving into the new location in February 2021.

Some of the features of the building included the utilization of the old bank vault for an up-to-date property and evidence storage system, a designated patrol work area, a new training room, and an up-to-date records storage system. Then Phase II of the building construction, which includes a new holding facility and communications center, started in late 2021 with an expected finalization in the late summer / fall of 2022.

## 9/11 Memorial Event

On Saturday, September 11, 2021, the Town of Wickenburg hosted a memorial event and dedication at the Wickenburg Police Department to honor and remember the victims of the September 11<sup>th</sup> attacks 20 years prior. The solemn and emotional event was open to the public and attended by many within the community. From new Wickenburg residents to AirEvac personnel to Wickenburg Town Council members.

The Glendale Police Department's Honor Guard ceremoniously presented the colors of the American and Arizona State flag and at the conclusion of the event, the Wickenburg Fire Department, after a moment of silence, rang the bell to honor all of the victims lost. The event was a gracious and sincere event that captured the emotions that were felt by so many on that fateful day 20 years prior.

### The Wickenburg Police Department wishes to thank the following:

# Clarence Nelson Dotson Memorial Public Safety Building

On Saturday, September 11, 2021, the Municipal building standing at 1980 W. Wickenburg Way was officially presented the proclamation by Mayor Rui Pereira that states that the building was to be named the Clarence Nelson Dotson Memorial Public Safety Building.

Clarence N. Dotson is the only member of the Wickenburg Police Department to have died in the line of duty. Clarence had been working as a night watchman for the Wickenburg

Police Department for approximately 9 months when he was killed on February 7, 1945 after interrupting a burglary in progress at the previously standing Hassayampa Drug Store. Shots were exchanged between Clarence and the suspect both suffering injuries. With great sadness, Clarence N. Dotson succumbed to his injuries after advising a witness what had taken place. The suspect was eventually found on a commercial bus, apprehended by its driver, and then later sentenced to life in prison.

2021, Clarence's extended family attended the event and were present as the building was named in his honor.

The plaque reading the proclamation sits by the front doors of the building presenting and telling the story of the man who died serving his community. It is with great honor that we work from a building bearing his name.

# Wickenburg Police Department Becomes Accredited

In 2018, the Wickenburg Police Department started its journey to earn its initial accreditation. To become accredited the Wickenburg Police Department had to show proofs of 174 standards that includes both a written directive and proof(s) that directives are followed day to day. To be successful, the Department undertook an in-house review, evaluation and often re-write of each policy. This task saw the Department's policies go from a scattered 180 policies to an organized 115 policies including many new policies.

The Department completed their on-site evaluation in May of 2021, which was presented to the Arizona Law Enforcement Accreditation Program committee and the Arizona Association of Chiefs of Police Board for approval in July of 2021. Upon presentation of the report, the Wickenburg Police Department was granted initial accreditation!

Accreditation is an extraordinary achievement for all staff within the Department as it is a large undertaking requiring a complete team effort. Accreditation demands a higher standard and commitment for best practices within the law enforcement field.

The Wickenburg Police Department will continue to strive for improvement and growth and prepare for our re-accreditation, which is due in July of 2025.

## Special Thanks to the Following:
